

CENTER FOR HEALTHY LIVING EDUCATION SERIES

National Integrated Health Associates and the Center for Holistic Medicine are proud to announce a valuable source for healthy living and holistic medicine. We are offering several classes and programs. This month's class is outlined below. Thank you for your interest in our programs.

Topic: **Rapid Reversal of Stroke and Brain Injury**

This talk centers on Relox™, a new method developed by Dr. Bruce Rind that rapidly helps to reverse brain and stroke injury.

Speaker: Bruce Rind, MD
Holistic Physician

Date: Wednesday, September 10, 2003 6:00 – 7:30 pm

Where: National Integrated Health Associates

Cost: FREE (includes two hours of free parking)
Advance reservation recommended due to limited seating

About the speaker: Dr. Rind is the founder of the Center for Holistic Medicine. He is also Assistant Professor, Howard University Medical School and a guest lecturer at Capital University of Integrative Medicine. He is well known for his innovative work in thyroid and adrenal function and has taught many seminars on this subject to physicians and other health professionals.

What you will learn:

- Causes of Brain Injury and Understanding it's effect on the Brain
- Alternatives for Stroke Recovery and Brain Injury
- Supportive and Restorative Therapy
- Ultra-Rapid Restoration of Function using a new innovative approach
