## Spiritual Direction Agreement

### **Our Relationship**

You are meeting with me as your spiritual director because you want to examine your spiritual life, individually or in your role as a spiritual director for others.

Spiritual direction is the contemplative practice of helping another person or group to awaken to the mystery called God in all of life, and to respond to that discovery in a growing relationship of freedom and commitment. The brochure entitled "Guidelines for Ethical Conduct" explains my role in a general way and can be purchased from the store at [www.SDIWorld.org](http://www.SDIWorld.org). Consult that Internet site for more information, as well as my teaching Internet site: [www.NaturalWorldHealing.com](http://www.NaturalWorldHealing.com).

Besides holding ordination in an interfaith congregation I am also a counselor and a licensed naturopathic physician. It may be appropriate at times to discuss psychological, relational and health difficulties in the context of spiritual direction.

It is also important that you recognize that spiritual direction is not financial advice and that any decisions and actions you may take in that regard are done without my advice or recommendation, and are purely your responsibility.

### **Confidentiality**

I will hold our conversations in strict confidence. Our time together is sacred. I will not reveal the content of our conversations unless I am required to do so by law or court order. On the other hand, you are free to share whatever you choose about our conversations with anyone.

### **Fees**

The fee per one-hour session is \_\_\_\_\_, payable at the end of the session. This fee is guaranteed for at least 12 months. If examination and treatment of a physical and/or emotional nature is agreed upon, that will be charged at appropriate rates that my office staff can describe.

### **Time of Sessions and Changes**

We commit to begin and end our sessions on time. If you wish to change your appointment, you will let me know at least 24 hours in advance by emailing me and calling me as well. Without this notice, you will pay for the appointment time. I will not call or send you reminders for the sessions.

Although we agree to a monthly one-hour session, you may desire to meet more frequently or for a longer session periodically, and that is fine, as long as we schedule in advance. If you would like to share a success or a problem with me in between sessions, you may contact me via email, or leave me a voice mail message. I do not bill for additional time of this type but ask that you keep the extra calls to a few minutes.

**Please sign and return a copy of this agreement.**
