Lifetime of Diseases: Distorted Energy Programs

Some healing, improved function via Regimen, but incomplete

Life energies fully free for dynamic Resonance in health

The Life Force "programming" of a person becomes distorted by the "outrageous fortunes" or Diseases that impinge upon their very Being. Full health can be achieved by means of supportive Regimen (food, hygiene, bodywork, exercise...) and homeopathic Medicine when appropriate. This means removing Disease by use of Jurisdictional homeopathy: Nutrigenic, Homogenic, Iatrogenic, Pathogenic, or Ideogenic (highest level, "Core level delusion"). True healthy Resonance is goal.
